SunPatiens®

IMPATIENS

Unstoppable SunPatiens.
Flowers that flourish,
sun or shade, rain or shine,
spring through fall!

SAKATA®

SunPatiens®

- UNAFFECTED BY DOWNY MILDEW
- Easy-to-grow and versatile
- Grow cool for highest quality and save energy costs
- Choose from 3 distinct habits!
- No PGRs needed when grown as directed
- Direct stick in containers up to 6 inch/13 cm
- Very fast growth for quick turns—2 to 3 weeks shorter crop time than New Guinea impatiens!
- Thrives under high heat and humidity, outperforming traditional bedding plants in growth, stress tolerance and flower power

SunPatiens® COMPACT

The Compact series is bred for smaller container production with the best habit for strong retail appeal. This series is also good for multipack production.
